

Share and promote the Scottish experience with your stall at Bendigo's Scots Day Out 2020

Bendigo's Scots Day Out – a unique annual celebration of traditional Scottish culture – will be held on Saturday 29 February 2020 in the wonderful setting of Rosalind Park in the centre of the city.

Be part of the Scottish experience in our eighth year of SDO - building on the popular offerings of haggis, venison, shortbread and of course ... fine single malt whisky and the famous IRN BRU as up to 5000 people are again expected to be at SDO.

SDO offers an experience unlike no other in Australia to explore Scottish food and drink in between discovering an even deeper love affair with all things Scottish as people wander through Scots Arcade where stall holders have metres and metres of tartan, Scottish goods and treasures.

We invite you to consider sharing your Scottish and Scottish-inspired creations - whether food, drink, tartan or craft – at SDO next 29 February.

As we are very, very pleased to say that all stalls will again be back in Rosalind Park proper following discussions with City of Greater Bendigo!

Attached is the site application form and if we can be of further assistance please let us know.

Chris Earl
