

The clans are invited to SDO2020 – Saturday 29 February

We are delighted to again invite the Clans to be in Bendigo on Saturday 29 February 2020 for the traditional and contemporary celebrations of our culture at Scots Day Out in the shade of beautiful Rosalind Park.

We also invite your clan to consider holding its annual state or national reunions and gatherings in Victoria's largest inland city with excellent accommodation and function facilities.

Bendigo's Visitor Information Centre can assist in securing the right venue for additional function activities over the SDO weekend. City of Greater Bendigo is a major supporter of SDO and the VIC can be contacted through the website www.bendigotourism.com

Events associated with SDO in 2020 will include the Australian premiere of further highlights from the Edinburgh Short Film Festival on SDO Eve.

Our visiting clans are encouraged to participate in the opening parade down View St for SDO at 10am on Saturday 29 February, carrying their banners and leading the contingent of clan members into Rosalind Park where an enjoyable and relaxing day awaits.

We look forward to welcoming you to Bendigo for SDO2020 and receiving your Clan site application form.

If we can be of further assistance in planning the Clan's presence, please let us know.
